

Kirksville Child Development Center 2015-16 Calendar

In addition to the events listed below, additional projects/events include:

- Helping clean and prepare for classes before school starts in August.
- 1-2 field trips each semester
- Additional work days when TSU students come to work and need a parent supervisor. Projects include cleaning, painting, and making classroom supplies. Dates TBA as contact with TSU service organizations continues.
- All parents are invited to monthly Board meetings at La Fuente. Exact days and times change depending on board members' schedules, but at this printing they are the 3rd Monday of the month at 6:30.
- Tuition is due on the 10th of the month. Late charges apply!
- We also design a T-shirt each year that is available for purchase. Sometimes it has been late the first semester and sometimes early the second semester. If you would like to help design the shirts or organize this project, please let me know!
- There are also constantly buildings and grounds projects to work on.
- In the spring we brainstorm an "extra project" that we approach current and former families as well as other donor/stakeholders for financial support. In the past these have included: down payment to purchase our property, roof replacement, outdoor clubhouse, carpet replacement, and classroom supplies.
- We may try to plan a family campout or music night for the first time. Any thoughts?
- Reminder that all families contribute a total of 40 hours of volunteer time per school year. Sometimes this is about 4 times per month. Other times families spend bigger amounts of time on a few projects. And more volunteer time is always welcome!

Date	Event	Notes
August 2015 First week	Floors waxed; playground disrupted from sewer main replacement	Help moving furniture & maybe playground fall zone Classroom & cleaning help
